

KALEIDOSCOPE '80

WE ARE PRODUCTS OF THE PAST

Our Time Is Now

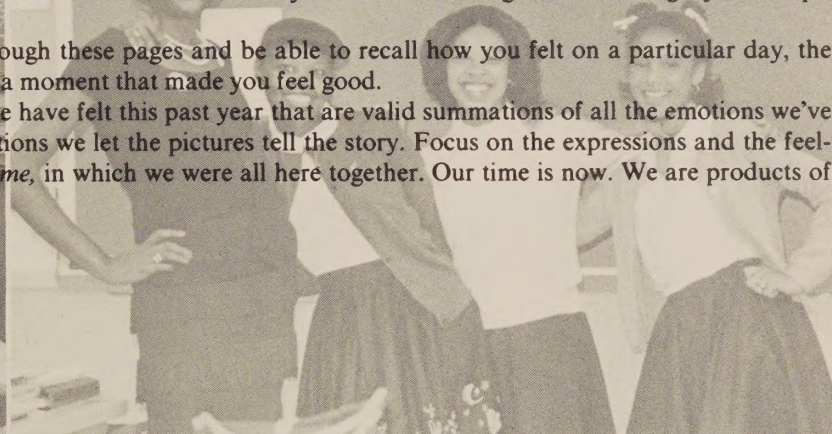

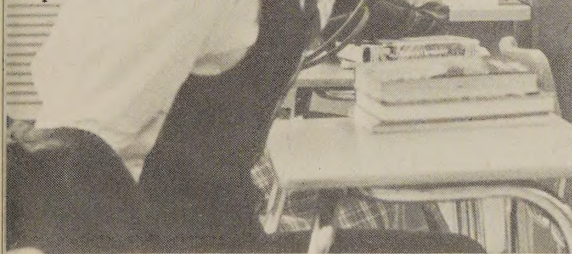

Our Time Is Now

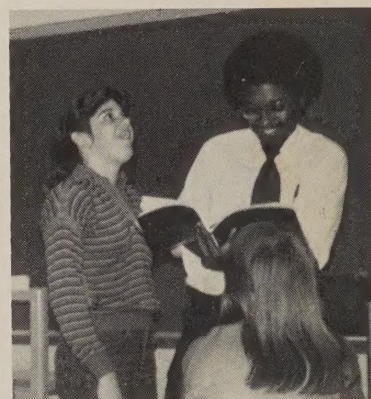

We were born and were children in the sixties — but the growth that ultimately mattered — our emotional and intellectual growth — occurred in the seventies. We came into our own in the past decade — it seems that within a fleeting ten years we developed individuality. We now turn towards a new decade — the eighties — during which our careers, our more permanent relationships and our personal goals will be realized. We look to the future with hope and intelligent expectations. For this reason the 1979-1980 Kaleidoscope is dedicated to the HHS Class of 1980. With them lies the heavy and demanding responsibility to shape and guide the future. They are embarking on a serious and exciting journey, and it is only fitting that they should be honored here. They are most definitely a “Class With Class” and we remain confident that they will address the eighties with integrity and inspiration.

We hope that in ten years, you will look back through these pages and be able to recall how you felt on a particular day, the person's face that was special to you, a favorite class, a moment that made you feel good.

This yearbook attempts to portray the emotions we have felt this past year that are valid summations of all the emotions we've experienced in the past decade. There are fewer captions we let the pictures tell the story. Focus on the expressions and the feelings. They are the best illustration of the time, *this time*, in which we were all here together. Our time is now. We are products of the past and makers of the future.

Mr. Sober — Teacher of the Year!

Mr. Jerrell Sober was chosen as Teacher of the Year for the state of Virginia. He is a dedicated teacher and is a favorite among students and teachers alike. He serves in many civic organizations in Hopewell, is an active member of the Hopewell School Board, and besides being a government teacher to many of us — he is a stand-up comedian, a stylish dresser and a true friend. We are very proud of Mr. Sober and would like to honor him here as the Kaleidoscope's Person of the Year.

Teacher of the Year

Elliot and Zinna — Mr. and Miss K.

Elliot Eliades

Mr. Kaleidoscope

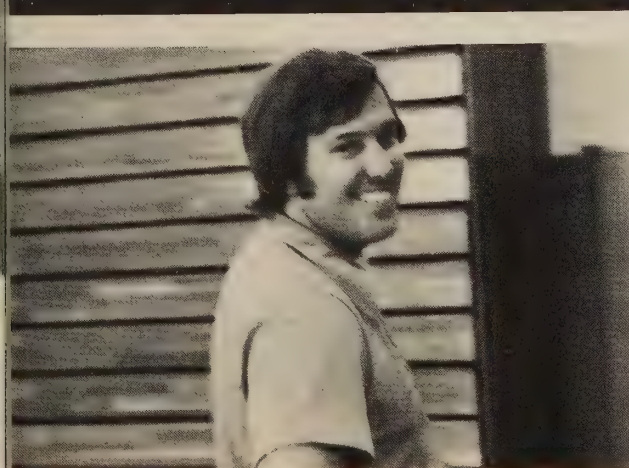

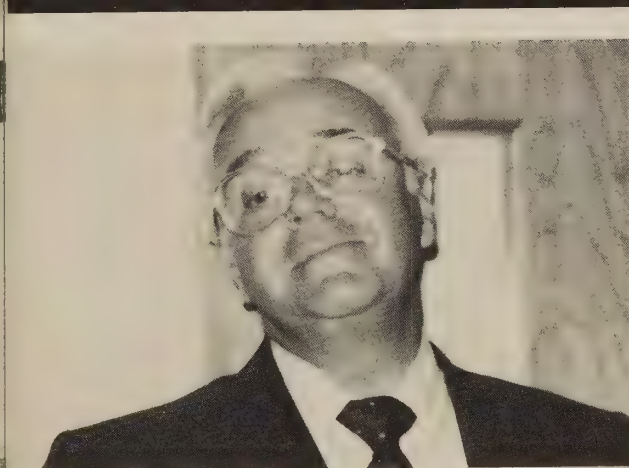

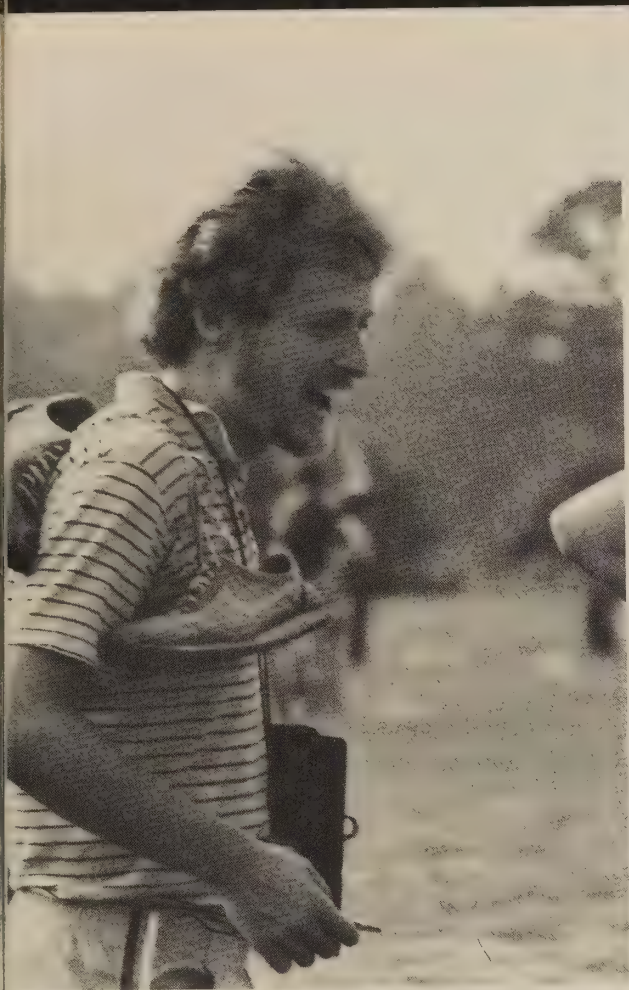

Mr. and Miss Kaleidoscope are honors given to a senior boy and girl chosen by the senior class. The award is based on academic achievement, leadership and personality. This year this prestigious award goes to Elliot Eliades and Zinna Northington. Elliot is an energetic, sometimes crazy, friendly person who is president of the SGA and is involved in Key Club and the Tennis Team. Zinna is a straight-A student, a cheerleader, and a contestant in Jr. Miss. Both have contributed a great deal to HHS and we are certain that they will achieve many great things in the future.

We stand in lines a lot. We get involved in circles of friends. Sometimes our relationships form triangles. We try to avoid being squares. Math at least helps us see things in proportion. Only one flaw in this mathematical scheme of things — formulas from algebra don't always solve our own problems.

The Science Department Teaches Us the How and Why of Life

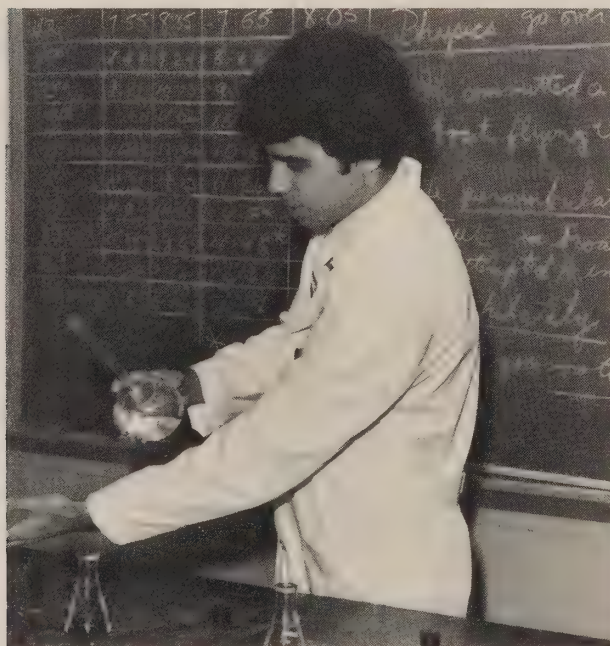

Mrs. White

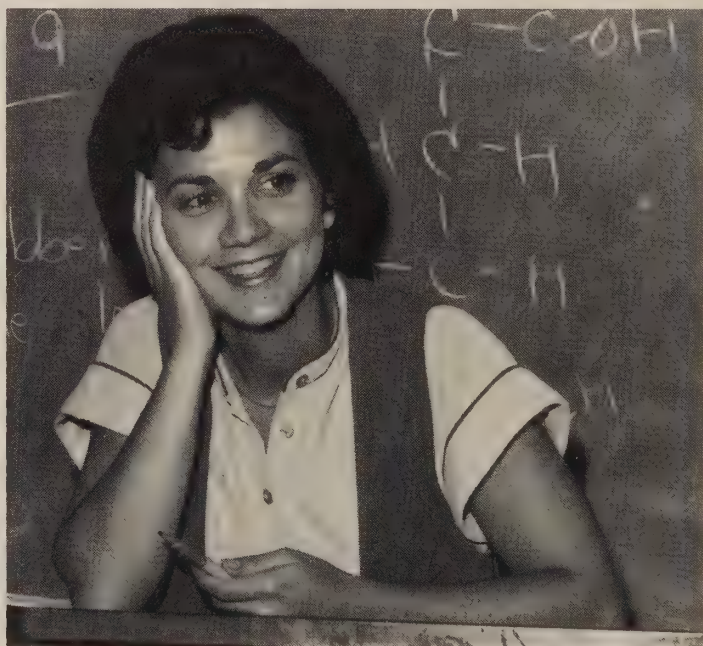

The Science Department stresses the study of life through biology and chemistry. We learn the physical makeup of life forms and about the elements of our planet. From the atom to the universe — our part in the scientific order of things is very small.

Career workshops, competency testing, job placement and personal counseling are some of the duties our guidance counselors perform. They make sure we stay on the right track. And they also help us look ahead to college and career goals by helping us keep realistic outlooks. So you want to rule the world? See your counselor for some information.

Typing and shorthand classes are based on the old theory — practice makes perfect. Students learn skills that enable them to find good jobs in the employment market. Practical skills are used in part-time employment through COE, and students are able to use this part-time experience to find full time jobs in the future. Learning the keys of the typewriter is only the beginning in quality job skills.

Art and music come alive through the direction of these four teachers. Students are taught elementary principles at first and then are allowed and encouraged to let natural talents take over. Art shows, the band and choral groups give students the opportunity to demonstrate their abilities. "The good things in life are free" — and this rings true with the fine arts classes.

Introducing Our New Principal — Dr. Jim LoFrese

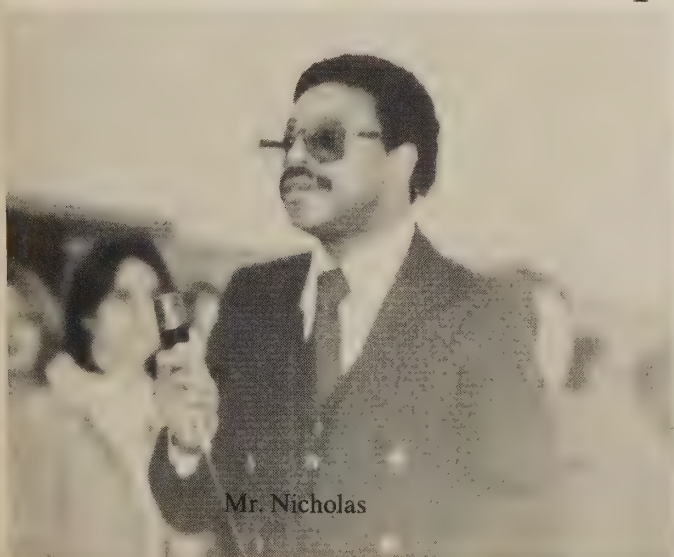

Dr. James LoFrese, our new principal, came to Hopewell High School this year. He initiated some welcomed changes, such as seven minutes between classes and homeroom by grades. His enthusiasm was contagious and our attitudes began to change and school spirit soared. Best of all, he made the office of the principal open and friendly where teachers and students alike felt comfortable. We extend our thanks, appreciation and warm support for the man we call "The Doctor," "The Freeze-man" or "Super-Freeze."

The Monogram Club is one of the largest clubs at Hopewell High School. We have over 50 members. All members are of a select group because only winners of varsity letters can be part of this fine club. We are a money making club that takes care of the refreshment stand at all home basketball and baseball games. This money in return helps pay on the nice letterman jackets our members wear around the school.

F.B.L.A. Minds Their Own Business

FBLA is designed for the development of strong, aggressive leadership today in preparation for an active leadership role tomorrow. Our members learn the effectiveness of business and competition as well as the responsibilities of success and defeat. Our 1979-80 FBLA club consists of 154 *active* members. This is the largest number of members our chapter has had in many years. The club is also very fortunate to have seven active teacher/sponsors. The club has sold stationary and candy for fund raising activities. They also operated a "Christmas Shop" for the first time this year. The members have donated money to the United Way Fund and the March of Dimes. They also donated a large number of canned goods to the Christmas Mother for less fortunate people. The FBLA has played an important role in helping the school this year through performing secretarial tasks. All in all, our FBLA club membership for the 79-80 year is as active as it is large!

Alpha Club Is A-OK

The Alpha Club consists of members who are straight-A students. These students form the National Honor Society for H.S.S.

D.E.C.A. Does It All

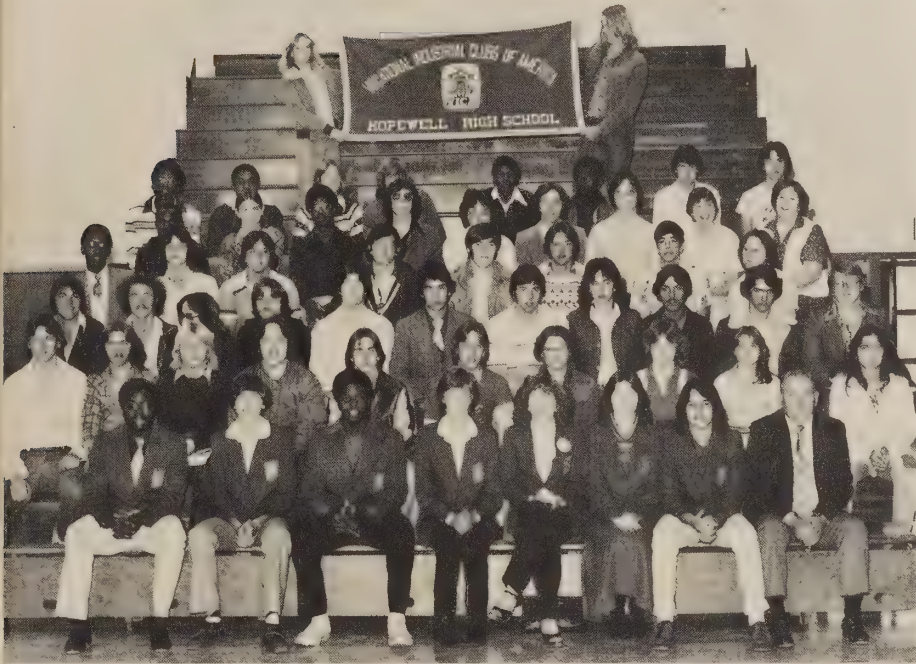

The DECA Club strives to develop vocational understanding and leadership ability. Officers attend the Officer Training Conference at Virginia State College to perfect club organization. In the fall DECA members at HHS hosted DECA members from other schools in the area for a rally. HHS DECA Members also competed in district competition at Walnut Mall. Civics projects included a spring clean-up for the city. DECA raised money this year by candy sales, cookie sales, selling Homecoming Mums and working the concession stand at home football games.

S.E.S.

V.I.C.A. Perfects Skills

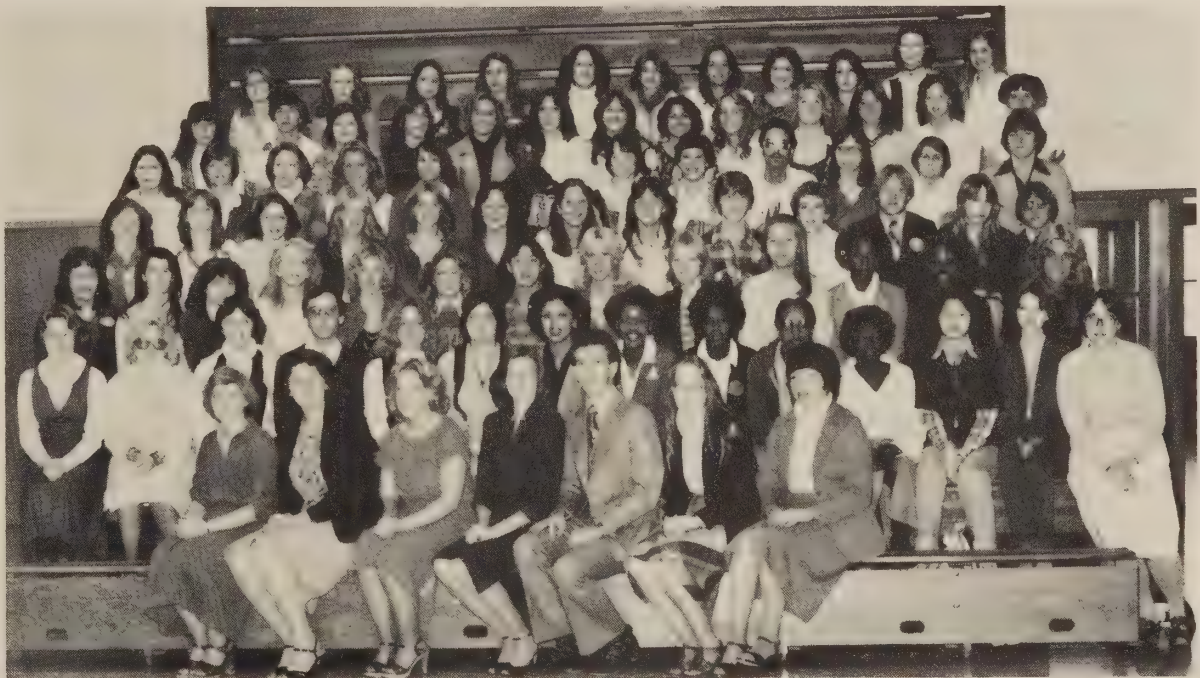

The VICA club is very active in community and civic activities in the city of Hopewell such as the Jaycees and Hopewell Convalescent Center. The VICA club is made up of juniors and seniors from the ICT, automotive, electronics, Printing and machine shop classes at the High School.

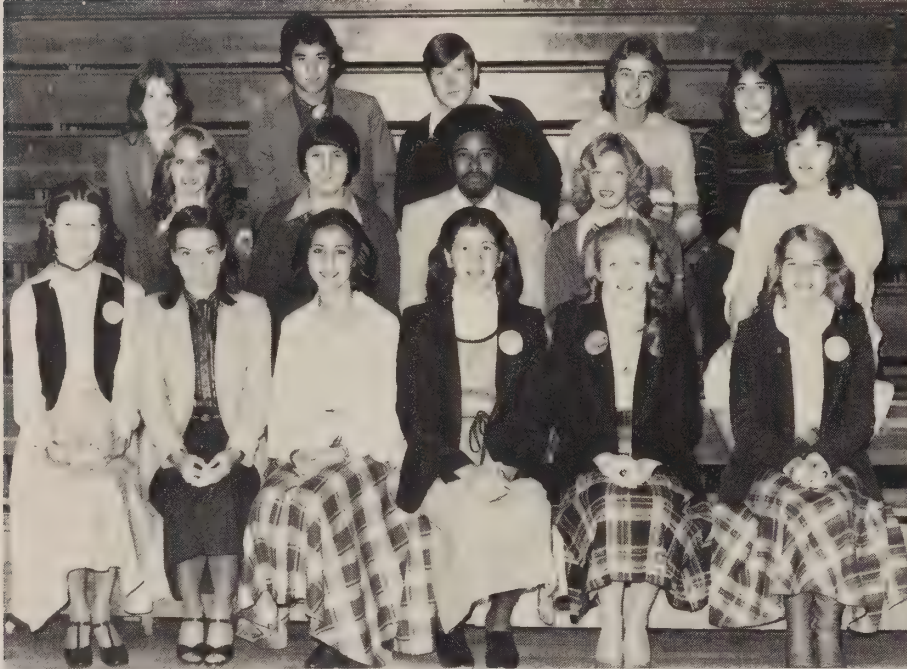

Makes International Friends

The School Exchange Service Club is an organization to support Hopewell High School's Exchange program with schools in England and Germany.

Its activities include, Barbeque dinners, jewelry sales, carnivals, Pepsi sales and other money raising projects.

The AHEO is comprised of students in eleventh grade American Studies. The aim of the AHEO is to raise money to lessen the cost of an educational trip to New England in late spring. The trip is designed around historical and literary sites associated with famous historical figures and writers the class has studied during the year. Among the places visited in past years have been the homes of Nathaniel Hawthorne, Henry Wadsworth Longfellow, Henry David Thoreau, Louisa May Alcott, Mark Twain, John Adams, and John Quincy Adams. Also the group has visited the Wadsworth Atheneum, the Boston Museum of Fine Arts, Walden Pond, the Essex Institute, the Salem Witch Museum, and several spots along Boston's Freedom Trail. To raise money for the trip, the group has sponsored a yard and bake sale and a Christmas bazaar and plans other activities for second semester.

HOSA — Each of the 30 members are interested in pursuing a career in the health field, and are actively enrolled in a health career program at HHS or the work center. There are over 200 health careers available to an individual and through course curriculum and HOSA membership, these careers are investigated. As a club we have collected food for the Christmas Mother in Hopewell, donated food to the SPCA, presented a Health Careers program to the sophomore PE classes, as well as a program on what HHS has to offer in the way of health career courses. In March, the state had its first HOSA Constitutional Convention in Charlottesville, VA. Several members were able to attend and participate in this convention with financial assistance from our different fund raising activities. This proved to be an enlightening trip.

The Key Club

This year the Key Club allowed girls into the club. "Slave for a day" was a big money making project. The money earned was used to attend the Key Club Convention which was held at Va. Beach during April. Money earned from candy, was used to buy jackets for all the coaches. Sponsoring a needy family for Thanksgiving and Christmas was a rewarding experience. All in all, the first year with girls in the club was a successful one and will be remembered by all Key Clubs.

The Beta Club is a scholastic organization but its goals are service to the community and to the school.

The main fund-raising project for the year was a spirit link competition. The money earned was donated to charities.

The Beta Club also sponsors school clean-up projects. One project planned was polishing the trophies in the case in the main hall.

The Sophomore Class officers had many events we looked forward to this school year. One of the major occasions was the Sophomore Dance held in the spring of the year. These officers and representatives had a major part in organizing and planning this dance. They did a great job. Most importantly, they helped sophomores adjust to the frantic pace of high school by responding to problems and questions of their class.

We are the legacy of now and have captured it in this book for all of you.

Competitors

Girls' Basketball Shoots for Two

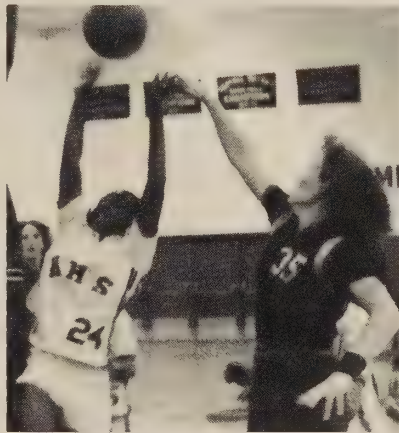

The Hopewell's girls team finished the season with a disappointing 2-16 record. The Lady Devils, on the rebound from last year's district runner-up season, lost 4 starters from last year's edition. This year's team, coached by Jane Bishop, was lacking size, depth, and experience. Eileen Brown, the only senior on the club, led the team as one of the top scorers in the district. She was backed up by guards Stacey Boyette and Stacey Hayes, forwards Barbara Muller and Vicki Casey. Chris Chappell and Diane Lee saw considerable action off the bench as well as spot starting. The future, however, will look bright for the Lady Devils; Coach Bishop will return eight of nine players including players up from a very successful junior varsity team.

Depth and steady improvement told the tale of the team this year. Kathy Bercaw, Sherri Eliades and Laura Lundquist were top singles players this year. The team fared well in district competition winning 3 doubles matches. Next year — with all singles players returning except Robin — should be a top contender in the Central District.

J.V. Football Makes Their Presence Known!

J.V. Football

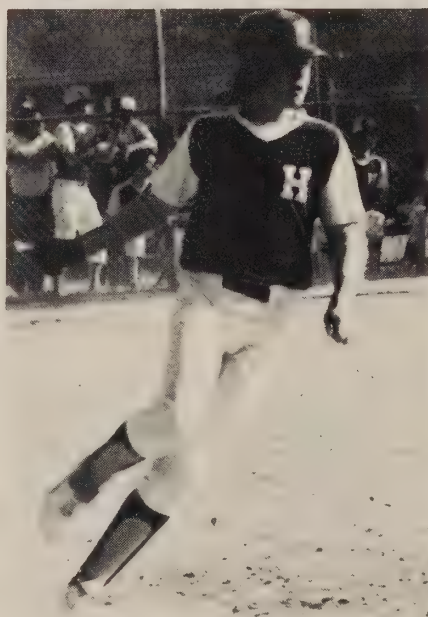

Once again the Hopewell J.V. squad had a very successful season, posting a 3-1-2 loss at the hands of Thomas Dale. The strong point of the Devil team was a stingy defense which allowed an average of about 9 points per game. The offense was an opportunistic one, capitalizing on their opponents' mistakes. Head Coach, Larry Hodson, was pleased with the performance of his team, especially in their win over Peabody. This was the first time the Lions were defeated in 8 years.

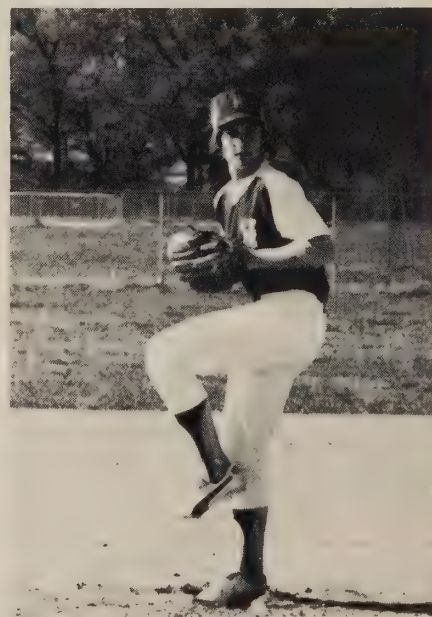

J.V. Baseball Goes for Home!

J.V. Baseball

For the second successive year, Coach Bobby Pershing guided the junior varsity to a winning season, posting a 9 and 7 record. Ted Almarode (419) and Mike Lynch (415) were leading hitters, and Richy Marshall was an excellent lead-off man, with a high stolen base percentage. Dennis Parrish, Tim Galderise, and Mike Bouchard were the starting rotation, while Almarode provided relief help. Ray Accord and Larry Almarode provided strength up the middle, while Tommy Norris handled the glove well. Tim English was the man behind the plate, while Marshall, Charlie Mann, John Duncan and Lynch played outfield. From the bench, Barry Drumheller (300) provided hits off the bench while Bart Mitchell, Ricky Saunders, and Mann turned in excellent defensive performances as well as timely hittings.

Despite a slow start, the Hopewell Softball Devilettes finished with a 9-7 record. The girls narrowly missed playoffs for a second year in a row. Their fortune rested on the arm of a freshman pitcher, Stacy Boyette. Seniors Jonna Casey, Darleen Eppes and Eileen Brown led the hitting attack, while Mary Armstrong and Dawn White provided defensive play.

The Golf Team Swings!

The 1979 record was a disappointing 2-22. Inexperience and lack of depth led to the downfall of the Blue Devils. This years team will return all but 2 team members. Junior Andy Joyce represented Hopewell High School in the Central Regional Golf tournament.

Senior Stefan Calos led the Hope-well cross-country team to a 9-2 record, the best ever season for Coach Frank Whipp. The team's two losses came to the district's powers, Midlothian and Manchester, and both were by close margins. The Devils finished 3rd in regular season and participated in regional competition. In addition to Calos, the top 5 were Bowen Hyatt, Brian Szafranski, Cavin Young, and John Jefferys, who Coach Whipp calls, "the best 5th men in the district." Hyatt and Calos were named all-district, while Calos won all regional honors and was the only fall sport athlete to compete in state competition.

Once again key injuries hurt the Devils as they completed a 4-6 record, the first losing season for Head Coach Larry Carter. Key personnel such as Wayne Henry, Scott Miles, Tommy Smith and others slowed the Devils in '79. Star half-back Wayne Outlaw was slowed by injuries during the middle of the season. The Devils were many times overmatched in size by their opponents, but quickness was the great equalizer. A few bright spots were the election of 4 players to the All District Team: First team selections were Travis Alamarode, Second team picks were Billy Horne, Wayne Outlaw, and Sam Bass. But the season's highlight was the 14-13 win over Thomas Dale, the first win over the Knights since 1969, when Devil Coach Marshall Parker was the Devils' quarterback.

Varsity Cheerleaders

There are 10 Varsity Cheerleaders from grades 11 and 12. The Varsity Cheerleaders are responsible for inspiring school spirit at H.H.S. They lead cheers at the Girls Basketball games, Varsity Football and Wrestling. Another important task is the painting of signs which are put up in the halls to promote spirit. Every home football game they wrap the goal posts and put up signs on the field. They are also responsible for leading and teaching cheers at Pep Rallies. They sold Booster Badges to promote spirit during football and basketball games. They attended camp at Longwood College during the summer where they won several ribbons for outstanding performance at camp. They ran several money-raising projects to support their activities — such as selling Blue Devil T-Shirts, Jerseys and Sweatshirts.

Dance Dance — Keep on Dancing

It took hours of practice, days of preparation, and many minutes of tension as the Jr. Miss contestants gathered themselves together for a weekend of excitement. The pageant was held at Prince George High School this year on both a Friday and Saturday night. For Hopewell, Friday night was talent night, Saturday was poise and appearance competition and the crowning of the new H.H.S. Jr. Miss, Jeri Langston. First runner-up was Manya Djiovanidis, second was Rhonda Lovern, and Denise Will was chosen by the girls as the Spirit of Junior Miss.

The evening started with excitement as the contestants readied for the night. The long weeks of practice were over, the nervous tears were wiped away. This was it. Who would win? The judging took much time and energy, but finally the top twenty were chosen, then the top ten, and finally our winner! Screams were heard, and tears fell as Diane Point was chosen as our new Miss Hopewell High. Toni Tolbert was first runner-up, Portland Miles was second, and Rebecca Barden was spirit of Miss H.H.S.

Senior Mister — Is That Gary??

The Senior Mister Pageant — an event that every senior guy should look forward to. It's a time when every ounce of his crazy imagination can run wild.

This year a lot of hard work and preparation went into the pageant. Stage decorations, peculiar names, dress hunting, and make-up arranging were just a few of the things that paid off and made the Senior Mister Pageant a success.

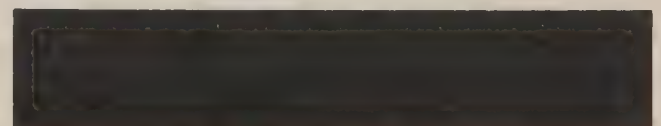

At the end of the evening, three lucky guys, (or should we say, gals) were picked as the prettiest.

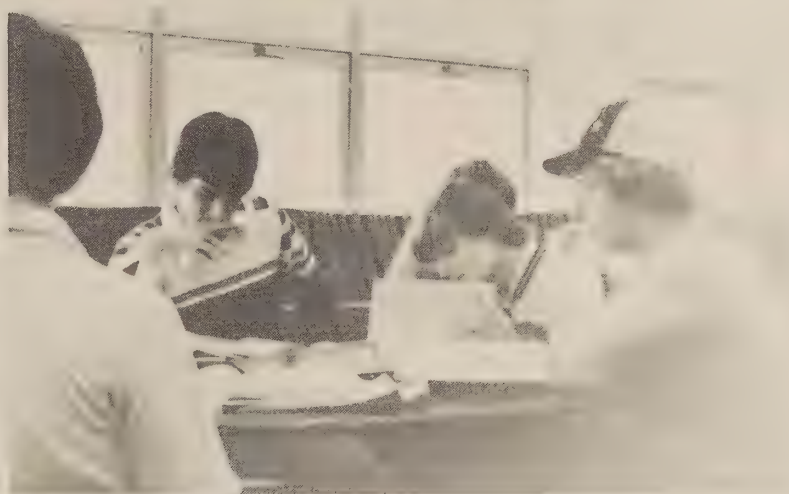

Gary McGuire (center) was the winner, Scott Denny was 1st, and Bruce Ellis was 2nd.

Ahhh — True Beauty!!!

FRATERNAL ORDER OF POLICE HOPEWELL LODGE NO. 17 FRATERNAL ORDER OF POLICE ASSOCIATES

PRESERVING LAW AND ORDER IN THE COMMUNITY IS THE GOAL OF THE FRATERNAL ORDER OF POLICE AND THE FRATERNAL ORDER OF POLICE ASSOCIATES. THESE TWO ORGANIZATIONS COMPRISE HOPEWELL'S DUTY BOUND POLICE DEPARTMENT WITH ITS PATROLMEN, DETECTIVES, AND SUPERIOR OFFICERS. WITH ITS SLATE OF OFFICERS, THE **FOP** AND THE **FOPA** TRY TO IMPROVE THE RELATIONSHIP OF THE COMMUNITY WITH THE POLICE DEPARTMENT. THE ORDER HOLDS REGULAR MEETINGS AND PRACTICES AT ITS CLUBHOUSE OUTSIDE THE CITY. IN SUMMARY, HOPEWELL NEEDS THE FRATERNAL ORDER OF POLICE AND THE FRATERNAL ORDER OF POLICE ASSOCIATES TO INSURE ITS CITIZENS SAFETY FROM HARM AND LAW AND ORDER.

Acknowledgements

We would like to offer special thanks to David Youngblood for his time, quality work and advice; Ms. Carpenter's typing classes; Dr. LoFrese for his patience and understanding; to Mrs. Thomas for her special efforts; to the parents of the staff members; to the random students that helped us at our breaking points; and to Bonnie and Petie. We'd also like to especially thank the secretaries in the main office for their help and support.

Several photographs in this book are by David Youngblood Photography, Hopewell, Virginia.

What were the seventies all about? It was a decade of transition for all of us. The seventies brought us Skylab, Patty Hearst, Al

The Family, red dye #2, and dis

We became part of "the generation." We sought to improve our bodies with jogging and roller skating. We began to strive to know ourselves and to accept whatever self-knowledge we found. We cut our hair and dropped our beelines. We marveled at a "R2D2" screamed in terror of a little girl possessed by the Devil, squirmed in our seats in fear of a great white shark and fell in love with a funny little man named Mork. We got "Wild and Crazy" with Steve Martin, learned to disco with the Bee Gees and Donna Summer and were entertained by Mash, Sanford and Son and Mary Tyler Moore. The seventies were a time when points of view became more liberalized, women struggled to be more equal, and the cost of living became nearly unbearable. Truthfully, the seventies were sometimes painful and frustrating. We suffered through the fall of Saigon, the shock of Watergate and the indignation of Iran. We were appalled by the acts of Charles Manson, shocked by the mass suicide in Jonestown, confused by Patty Hearst. Great men died — Humphrey, Presley and Crosby. We began to seek out new men and women to fill their shoes. We sat in gas lines and learned to avoid asbestos, and charine. Kepone put us on the map. But all in all, the achievement outweighed the details. We gloried in the physical expertise of Borg, Korbatt, Simpson and Ali. We learned to be united and stood together in the face of international crimes committed by a man called bin Laden. Being an American took on a new meaning for us all and in 1979-1980 we found a unity in purpose, feelings and spirit.

AND MAKERS OF THE FUTURE
